Elite® Series G50 Furnace

Innovation never felt so good.™

Low-speed, continuous fan setting allows quiet, consistent comfort

Efficient design can result in significant energy savings

Quality components ensure long-lasting reliability

The Elite® Series G50 gas furnace blankets you with warmth, without overwhelming you with sound. A low-speed fan slowly circulates air, providing quiet, continuous comfort. Low-speed operation also increases the effectiveness of filters for improved air quality.

EFFICIENT, CONSISTENT WARMTH—YEAR AFTER YEAR

Built to exacting standards, the G50 furnace not only keeps you cozy and comfortable—it also keeps your energy costs at a minimum.

With an efficiency rating of 80%, the G50 produces more heat for your energy dollar.

EFFICIENCY RATING
80% AFUE (Annual Fuel Utilization Efficiency).

WARRANTY
20-year limited warranty on the heat exchanger.

5-year limited warranty on all remaining covered components.

3-YEAR HEATING SAVINGS

Source: EPA national average energy rates.

This chart depicts potential energy savings you can expect from the G50 gas furnace versus older furnaces with lower efficiency ratings. Criteria used in this example are 2,000 full-load heating hours, with a 60,000-Btuh heating design load and \$1.074 ccf for gas. Your actual savings will vary depending on the weather, local fuel rates and your lifestyle. AFUE = Annual Fuel Utilization Efficiency.

INNOVATIVE FEATURES FOR ENHANCED COMFORT AND EFFICIENCY

Duralok Plus® Heat Exchanger – Made of high-quality, patented ArmorTuf™ aluminized steel. Life tested to 2-1/2 times agency requirements (ANSI standard Z21.47) for long life and durability.

SureLight® Control Board – Controls furnace operation to ensure reliable, efficient performance.

SureLight® Igniter – Made of silicon nitride for reliable, long-life performance.

Dedicated, Low-Speed Fan – Slowly circulates air for improved comfort and air quality.

Insulated Blower Compartment – Minimizes operating sounds.

Durable Steel Cabinet – Built to last and coated with high-quality, textured-paint finish.

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice. Warranties noted apply to residential applications only and are limited. Please see actual warranty for details.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

CONTINUOUS COMFORT NETWORK

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your heating, cooling and indoor air quality needs is every bit as important as choosing the right brand. We think you'll agree our dealers are a big reason you can count on quality customer service when you call.
